

NOW HIRING *COMPUTER TECHNICIAN*

COMPUTER EMPORIUM is seeking a reliable, motivated **COMPUTER TECHNICIAN** with a passion for technology. Industry certification or 1-2 years relevant experience is needed, as well as the ability to multi task effectively when faced with quickly changing goals.

Responsibilities include

- computer assembly
- installation, troubleshooting and support of hardware and software
- effective communication skills to understand, manage, and exceed customer expectations
- accurate billing and record keeping
- sales, reception, and telephone support

The successful candidate

- works effectively in a team environment
- maintains high standards of service while meeting regular deadlines
- is respectful and confidential when handling client information
- is willing to ask questions, seek help, and learn about new technologies

Experience in the following would be an asset

- unique technologies relevant to computers and multimedia
- cell phone repair
- basic network installation and support
- data recovery
- basic soldering and electrical repair
- sales

Some physical dexterity and strength is needed for freight and helping customers carry equipment. This position receives direction primarily from Computer Emporium's Senior Technician.

Remuneration based on experience.

Please submit resume in person to
9907-100th Avenue, Fort St John
or email to service@computeremporiuminc.com
